Reference: Contractor's letter dated 6 May 1966

Gentlemen:

Amendment No. 2 of referenced Contract authorized an expenditure of [redacted] for Computer time. The Contracting Officer understands that by increasing the funds authorized for this service, an improved end product will result. This increase in computer time funds will be accomplished by decreasing the estimated cost of materials by [redacted]

Therefore, by this Amendment the funds allocated for computer time is modified to the extent of increasing the amount thereof [redacted]

This Amendment shall not affect the total cost of the subject Contract.

Please indicate your acceptance by executing and returning the original and one copy of this letter, retaining the third copy for your files.

Very truly yours,

[redacted]
